Gift Valuation

Your generous charitable gift to Heifer will be valued at the median market price on the date of the gift, which is determined by the method of delivery.

- The legal gift date for securities electronically transferred is the day they are received in our account.
- The legal gift date for certificates that are mailed is the postmark date on the envelope.

In keeping with IRS regulation and Heifer Policy, Heifer International can only accept donations of commonly held, publicly traded stocks.

Gifts by Electronic Transfer

The easiest way for you to gift stock or securities to Heifer International is through an electronic transfer (DTC) from your brokerage account to Heifer's account. Please remind your broker(age) to include all of the information including your name, contact information and special instructions for the transfer. This information is essential for timely acknowledgement. When stocks are transferred electronically, we are informed only of the stock name and the number of shares, not the name of the donor, unless you authorize your broker to share this information with us. *Failure to share your gift intent with us may delay the gift acknowledgement for tax reporting purposes.*

Two Easy Steps:

1. Complete the attached Stock Gift Notification form and return to us via fax, email or snail mail.
2. Complete the Electronic Transfer Authorization Form and provide it to your broker. This will provide your broker with all the information they need to complete a transfer on your behalf.

Certificate Transfer

If you hold stocks or securities in certificate form, please mail your unendorsed paper certificates to our Broker, noted below with a Stock Power Form. **A signed stock certificate is legal tender.**

Four Easy Steps:

1. Complete the attached Stock Gift Notification form and return to us via fax, email or snail mail.
2. Print a Blank Stock Power Form for each certificate.
3. Take the Blank Stock Power Form(s) to your bank to have your signature Medallion Signature Guaranteed.
 - o Please do not sign the Stock Power Form(s) until you are in front of the bank staff who will guarantee your signature.
 - o You will need one form of picture identification.
 - o Signatures need to be signed as they appear on the certificate. Apart from your signature, please do not complete any additional information on the form.
4. For security purposes, send the documents in two separate envelopes to Heifer International's Broker as noted below: *(via USPS Registered Mail with Return Receipt Requested)*
 - o Send the signature guaranteed Stock Power Form(s) in one envelope
 - o Send the **UNSIGNED** stock certificate(s) in a second envelope to Heifer International's broker at:
